The Head of the Department/ Recruitment Coordinator
Department of Computer science And Engineering
Coimbatore Institute of Technology,
CIVIL Aerodrome POST, Coimbatore 641014

Dear Sir/Mam,   **Date: March 30, 2023**

We recruited DEVATHARSHINI S (IV year CSE) Email: 1905075cse@cit.edu.in , pursuing her education at your institution, for an internship, at our firm starting Jan 2, 2023 ending March 30, 2023

Job Description: Software Engineering Intern
Tenure: 4 months (with possibility of extension)
Location: Remote or in Coimbatore
Payment and Compensation: Unpaid to begin with, Possibility of Stipend evaluated on a technical basis after onboarding

Roles and Responsibilities

- Work on a software product end to end from design, analysis, execution, testing and deployment
- Get a general understanding of how clients use Cloud Compute and DEVOPS to automate their release management and infrastructure
- Attend meetings to understand overall Project Management Life cycle
- Understand Basic of DEVOPS and End to End Automation of Continuous Integration and Continuous Deployments
- Work with clients to understand requirements and come up with solutions to existing problems by using Foundations of Computer Science
- Work with product teams to understand requirements and work on proof of concepts

We are happy to let you know that she has completed her internship successfully as of date. We consider her one of the best interns in our company who was very dedicated and meticulous. Good luck to Devatharshini S. Wishing her the best.

Yours sincerely,
